## Menus

*The Black Horse is renowned for its delicious food, prepared by our team of talented chefs using fresh quality ingredients - sourced locally where possible.*

For weddings booked between Monday and Saturday our Head Chef will create a bespoke set price menu using seasonal ingredients to suit your preferences and requirements. Please speak to our party coordinator to arrange this.

Sunday bookings may only order from the Sunday Menu.

*All parties are required to pre-order food at least 2 weeks in advance.*

Menus are available to view on our website. Please inform us in advance of any food allergies and dietary requirements and we will be able to discuss options and alternatives.

Please note: Our menus are seasonal and change throughout the year, therefore, if you are making a party booking at least 4 months in advance, you will need to discuss the menu options with our party coordinator.

## Decorations

You are welcome to personalise your tables with flowers, decorations, chair covers etc. and whilst we are happy to accommodate this, it is your responsibility to make the bookings and arrangements for these.

We do provide table cloths (at an additional charge). Please see the Wedding Booking Form for more details.

## Smoothly does it...

We want your wedding meal to run as smoothly as possible, allowing you to sit back and enjoy your special day, therefore we strongly recommend you include place cards on the tables for every guest with their individual menu choices written on the back. As your guests have to order their meal in advance, it is possible they may forget what dish they ordered on the day, therefore by having their dishes on the place card it will help to eliminate any confusion and ensures everybody receives the delicious meal they requested.

## Still have questions?

Don't worry! We are happy to answer any queries you have, just give us a call or drop us an email. We want your special day to be extra special.
