

# The Black Horse Ireland Wine List

*At The Black Horse, we are proud to source our wines from family wine merchant Ellis Wines who are celebrating their 200th anniversary this year.*

*Ellis Wines work with many wineries and producers who share a like-minded ethos of sustainability.*

*Where possible, Ellis Wines will be using electric vans for deliveries and are working with their wine partners to adapt vineyard practices such as encouraging organic farming and low intervention winemaking.*

*These actions help with lowering the impact on the planet, without affecting the quality of the wines.*

*This relationship of working with their wine partners is an important step to help ensure that many of the vineyards are sustainable for future generations.*
